Orleans Post No. 23, American Legion, announce a benefit military ball at the opera house Armistice night, Tuesday, Nov. 11. All ex-service men are especially invited and requested to appear in uniform to make it a real military event.

The Third Red Cross enrollment is on in earnest. Col. C. S. Emery and the local pastors spoke at a mass meeting Sunday night in the opera hall to a large audience and the canvass is being made by two strong teams of 13 ladies and 13 gentlemen, captained by Mrs. A. H. Swett and Karl S. Webster. The quota for this branch is 612 members.

At a meeting of the Joint National Executive committee of the American Legion held at their headquarters in New York City, the following resolution was adopted: "Resolved, that Sunday, November 9th, should be designated as American Legion Sunday and that clergymen throughout the United States be requested to devote part or the whole of their sermons on that day to the ideals for which the American Legion stands." The occasion should make it a day of thanksgiving and prayer and all the people should find their way to the churches.

The Village Improvement society received the proceeds of two entertainments given for their benefit last week. On Wednesday evening "Little Women," was given by the "movies," thanks to the courtesy of Mr. Caron and the committee. The Harmony orchestra volunteered their music, which was much enjoyed by the audience. The second, through the courtesy of Dr. Webster, Charles Taplin and Harry Dickens, was a Halloween party and dance in the opera hall. Aden Phillips in charge of the decorations, and members of the V. I. S., outdid themselves in making the hall beautiful and characteristic of Halloween. A large party was in attendance and a good time was enjoyed by all. Refreshments of ice cream and orangeade were served. The sum of \$46 was realized from these benefits. The V. I. S. wishes to thank all who helped to make these events such a splendid success.

Congregational Church Notes.

R. A. Hamilton, Pastor.

Fifty attended the C. E. Halloween party Friday evening and thoroughly enjoyed the interesting program prepared by the winning side in the attendance contest. The losers tastefully decorated the church parlor in orange and black and provided bountiful refreshments. The ghosts in attendance added materially to the interest of the evening. The ghostly impressions of the evening were softened somewhat by the reading of Ellis Parker Butler's "Dey Ain't No Ghosts," as a closing number of the program.

The C. E. topic for Sunday evening is, "How to Avoid Failure," and the leader, Miss Clara Dwinell. The topic for the 16th, "Cooperation in Christian Service," Leaders, Thelma Stearns and Vera Cota.

On Nov. 16th, the Rev. E. C. Woodley, who spent the entire war period in Marash, Turkey, as a missionary of the American board, will speak at Orleans in the morning, and in Brownington in the afternoon. The church is fortunate in getting the opportunity to hear Mr. Woodley.

Communion Sunday was observed both at Orleans and Brownington. The new communion service at Brownington is now complete through the gift of pew cup brackets by one of the members there. The church in Brownington wishes to express its very sincere gratitude to this generous donor. The number of christenings at Orleans and Brownington this year is 14 instead of four as reported before.

For Women Not Easily Pleased

Women are pretty severe critics of shoes. Here is a new Walk-Over shoe, suiting many of the most critical. It pleases women who won't wear high heels and women who won't wear low heels. It has a Cuban heel on a street-boot so girlish-looking that a woman just reaches out for it. We have a great variety of other Walk-Over models.
